HUNTINGTON HIGH SCHOOL HUNTINGTON, INDIANA

We, the student body of Huntington High School, in sincere appreciation and gratitude for the eighteen years of service he has given us as Superintendent of Schools, dedicate this Modulus of 1959 to Mr. Burton Stephan.

Mr. Stephan is relinquishing his duties as Superintendent to resume his teaching career at Horace Mann School.

We here at Huntington High wish to thank you, Mr. Stephan, for the devotion with which you have carried on your duties for the period of your service. We wish you the best of fortune in the resumption of your teaching career.

WE SHARE GOLDEN MOMENTS . . .

Each of us here at H.H.S. has enjoyed a year full of "Golden Moments"—moments to be remembered. As we reflect upon the many happy occasions and pleasant associations, we know that some of the values of a high school education cannot be recorded with pictures and words, but are results of the worthwhile experiences that we have had.

It is our hope that with the yearbook as a reminder we shall Remember—

"The value of time.
The success of perseverance.
The pleasure of working.
The dignity of simplicity.
The worth of character.
The power of kindness.
The influence of example.
The obligation of duty.
The wisdom of economy.
The virtue of patience.
The improvement of talent and the joy of originating."

—Bulletin

We believe that by preserving through pictures some of the reminders of our "Golden Moments" we shall be able to increase our happiness.

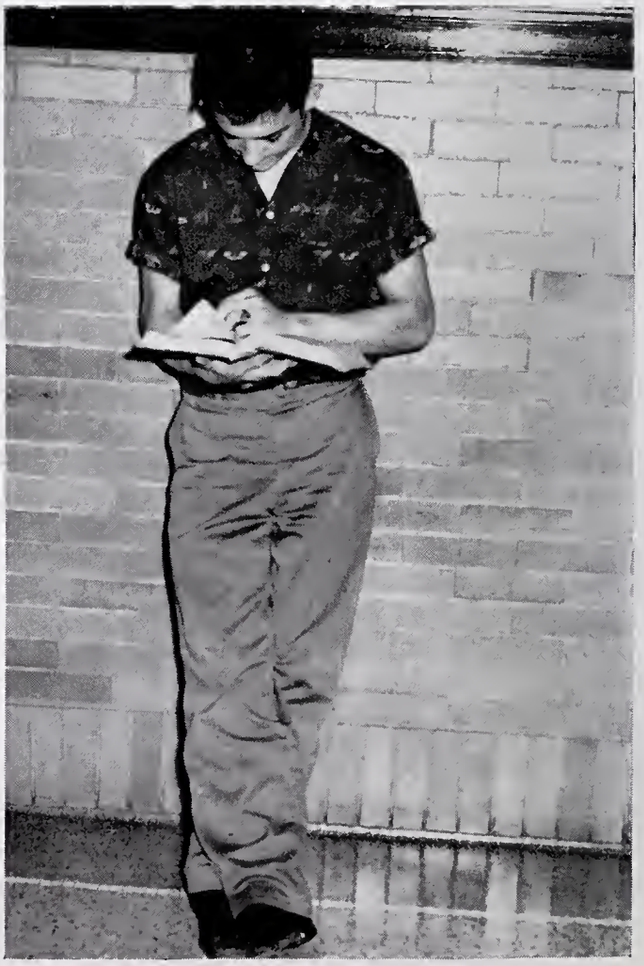
We Create "Golden Moments" While We Study . . . Read . . . Recite . . .

Quiet hours provided for study.

Jon prefers to stand while he reads.

Carol points to a country that the class is studying.



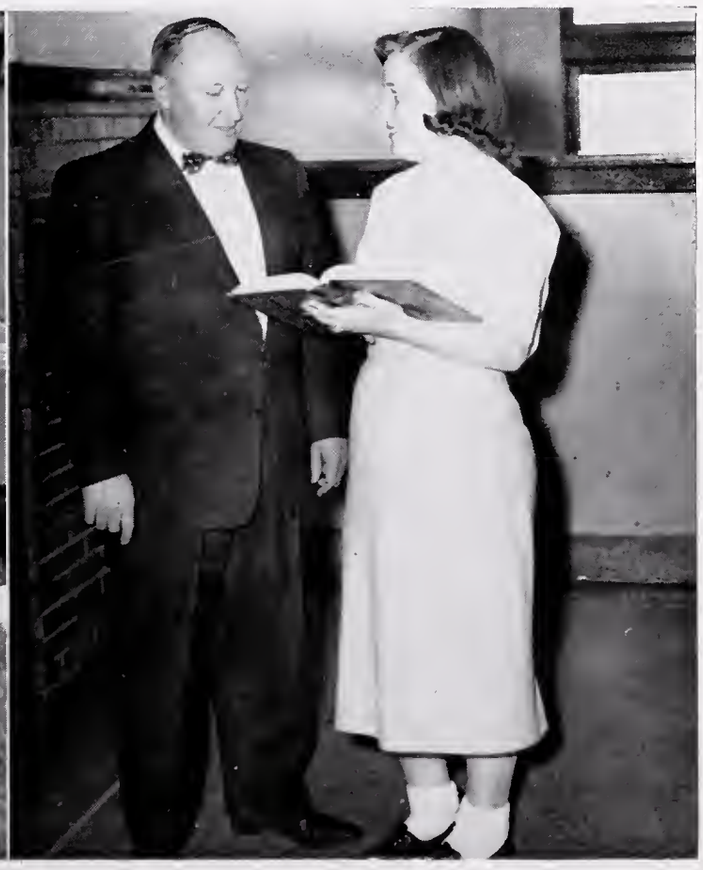
In the midst of the school work all of the students have time to laugh and talk with one another. Everyone has ample opportunity to rest and relax sometime during the day. Students take time to laugh and talk and forget their troubles in the halls, in homeroom, before classes, in class (when the teacher is out), and at noon in the cafeteria. Students of H.H.S. are fortunate not to have the unpleasant conditions found in some schools. In the hectic and sometimes disturbing rounds of tests, homework, and extra-curricular obligations, rest and relaxation are as necessary as diligent and concentrated study to produce the caliber of work which is demanded by our teachers.

The joke certainly must have been a good one.

LAUGH AND CONVERSE . . .

"Stop laughing! I'm trying to explain something!"

"Please explain this, Mr. Simon."



Each of us takes his turn in the cafeteria.

ENJOY TEMPTING FOOD . . .

CAFETERIA

The high school cafeteria is operated primarily for the benefit of the students who have the privilege of eating daily in a pleasant atmosphere. A wholesome social relationship where very little disciplinary action is required is one of the assets of this service to the students. The members of the faculty and other school employees also avail themselves of the convenience of eating wholesome, delicious meals prepared under the supervision of well-trained cooks.

The cafeteria, under the supervision of the Cafeteria Manager or one of the cooks, is available to high school groups, but is never used for money-making activities.

Doug, stop looking at the camera and eat.

It happens to the best of us, Ham!

CHEER THE VIKES . . .

We mourned for the Cards!

Homecoming! Everybody cheered!

Jeannie, Wendell, and Betty are ready for action.

A thirst quencher between classes.

Overcrowded lockers are *no* novelty.

SHARE OTHERS EXPERIENCES . . .

The big mirrors provide a suitable primping place.

All of the students enjoy sharing their experiences with others. The lockers, drinking fountains, study halls, and cafeteria are common meeting places for sharing events of the day. The students find great enjoyment in discussing the tests and happenings of the "terrible" but enjoyable school day.

PLAN AND PROGRESS THROUGH PARTICIPATION...

We always enjoy good auditorium programs.

Planning and progressing are two major goals at Huntington High. Inspiring and educational student-planned auditorium programs, in addition to paid speakers and musical entertainment, classroom discussions, and student participation plays help to vary the program in our school.

Club and extra-curricular activities give a student an opportunity to develop leadership and to carry out orders.

Classroom discussions add variety to the schoolwork.

Students participate in play "Everyman."

KNOWLEDGE is a tool. No craftsman can do good work with blunt tools. Our knowledge must be kept sharp by continuing to learn, not only for the success to which it opens the door, but also for the satisfaction it gives us in any work we do.

ACADEMICS

KNOWLEDGE

POWER

ENGLISH DEPARTMENT

English is a required subject at Huntington High School. Courses in composition and literature must be taken for three years; and for those students who are planning further study, courses in Senior Composition and English Literature may be elected. Special courses are offered to Junior students who are preparing for college. These courses particularly emphasize the writing of a research paper, paragraph development, sentence construction, and the writing of various types of composition including essays, the short story, and short compositions of an expository nature.

In all classes emphasis is placed on vocabulary building and the reading of literature channeled toward the classics.

SPEECH IS SILVER . . .

SPEECH DEPARTMENT

Speech activities are an integrated part of the English program during the freshman, sophomore, and junior years.

These activities include panel discussions, forums, and learning to give directions and explanations. The rudimentary elements of parliamentary procedure and telephone courtesy are also stressed. Those students who show special ability in oratorical endeavors are urged to enter speech and poetry reading contests and to take part in Masque and Gavel.

Everyone is happy after the play is over.

MATHEMATICS DEPARTMENT

Huntington High School has always been known for its outstanding mathematics department. Courses ranging from general mathematics to college algebra are offered to qualified students. Guidance from their teachers and experiences in their various classes help prepare students for later challenges.

Diff explains how to use the oscilloscope.

SCIENCE DEPARTMENT

The Huntington High School science department offers biology to freshmen and sophomores, and chemistry and physics to juniors and seniors. It is encouraging to note that of the total high school enrollment, 20% are taking biology, 9% are taking chemistry, and 3.5% are taking physics.

Our facilities are more than adequate for the basic requirements. The school wishes in the future, through an accelerated program, to maintain its enviable position in regard to the physical and biological sciences.

The Home Economics Department offers courses in Home Management, Care of the Sick, Food Preparation, and Clothing. These vocational home economics courses afford a basic foundation for future homemaking and careers in dietetics, dress designing, and related arts.

Closely associated with the study of nutrition and culinary arts is the study of health and safety. Health and Safety is a subject required for graduation at H.H.S. The course provides a basic understanding of the structure of the body and its functions, care of the body, and cause and prevention of diseases and accidents.

Homemaking is of great importance.

Now, the hem must be straight.

Mr. Hummer explains the bones of the arm.

FUTURE HOMEMAKERS OF AMERICA . . .

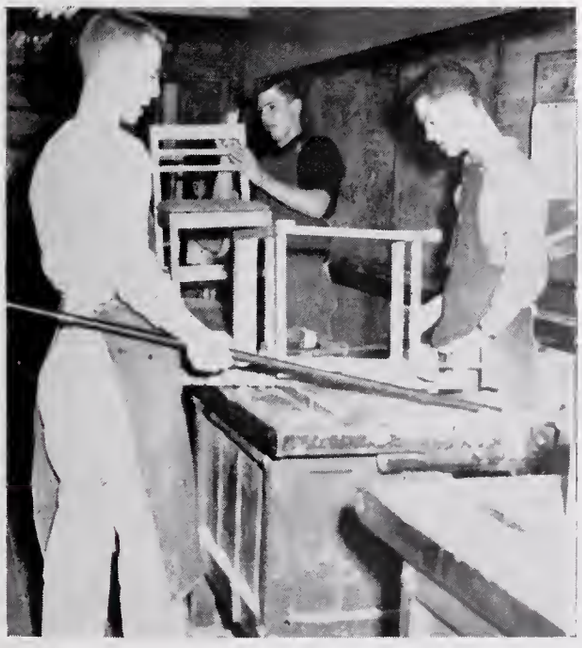
INDUSTRIAL ARTS

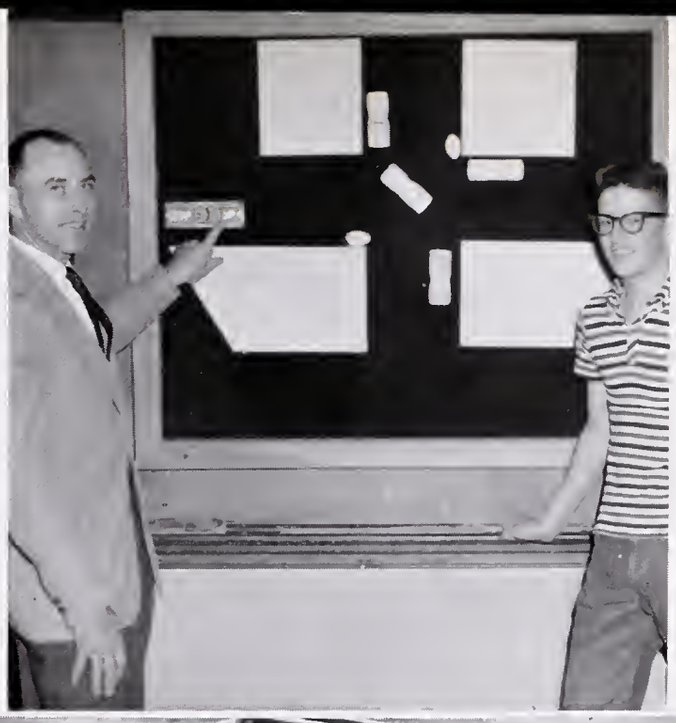
The Industrial Arts department offers courses in metal shop, woodworking, architectural drawing, and mechanical drawing. The boys who elect to take these courses are given the fundamentals and enough additional training to enter such vocations as drafting, tool and die making, and carpentry.

With the addition of the printing equipment, which is a gift of the 1959 Senior Class, another valuable course is being added to this department.

DRIVERS TRAINING

The Drivers Training course is always a popular class at H.H.S. Students study for twelve weeks and for six weeks they have practical application of the things they have learned.





Boys learn how to operate machinery.

Mr. Wilhelm explains the principles of safe driving.

One must enter the car from the curb side.

Woodshop—a part of the industrial arts.

GAINFUL EMPLOYMENT AND SAFE DRIVING . . . TWO MAJOR GOALS . . .

ART DEPARTMENT

Art can be taken as a four-year major. During the first year, the student is taught modern design technique and improvement of his drawing abilities. The second year is spent in development of three dimensional work, such as sculpturing. The third and fourth years stress projects on an individual basis. With the addition of the bench, which was a 1959 Senior Class gift, wood carving will be added to the course.

LANGUAGE DEPARTMENT

Language is an elective subject at Huntington High. Credits may be earned in German, Latin and French. Students who are planning to major in English, science, and medicine find that the study of language is especially beneficial.

Artwork is a fascinating subject.

Debbie, John, and Diane study French, German, and Latin.

BOYS' PHYSICAL EDUCATION

In the Boys' Physical Education classes, H.H.S. boys participate in dodge ball, touch football, track, soccer, baseball, and gymnastics. (An autumn attraction is the mile run to Kriegbaum Field to play football.) Besides the regular physical education classes, classes in beginning swimming are also offered. Although only freshmen and sophomores are required to take physical education, advanced courses are offered to juniors and seniors.

GIRLS' PHYSICAL EDUCATION

Girls' Physical Education classes provide a health building and a wholesome recreation program which includes team and individual sports. Swimming, bowling, volleyball, archery, ping pong, and informal games are only a few of the many activities in which the girls are privileged to participate.

WORK IN A BUSINESS - LIKE FASHION . . .

BUSINESS DEPARTMENT

All business courses at Huntington High School are elective. Any student wishing to enter the business world may take such courses as typing, shorthand, bookkeeping, general business, commercial law, and advanced shorthand and transcription. Production work for the school and community is a project of this department.

Many students who show special interest in these fields are often placed in business positions by the heads of this department.

Rainey and Judy work in the production room.

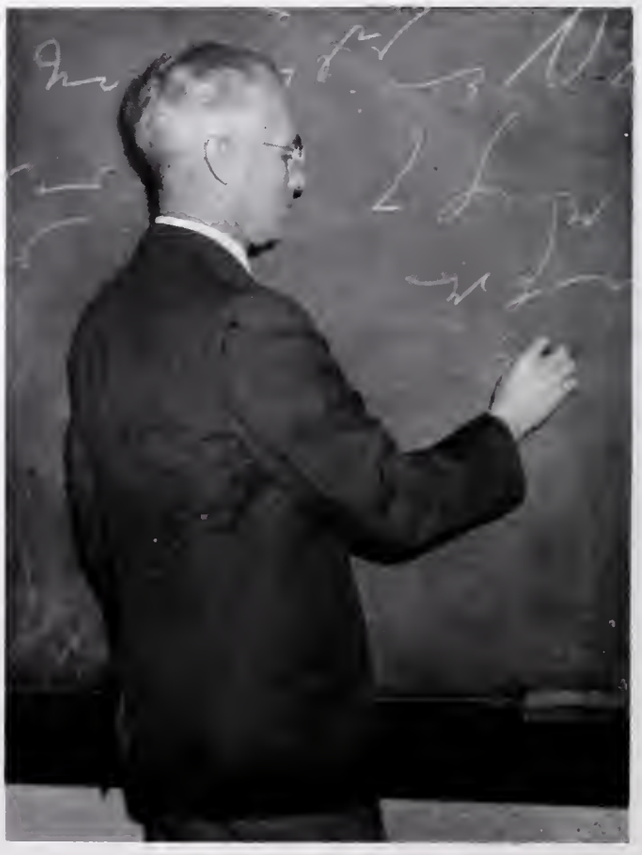
Typing is a major part of the business course.



SOCIAL STUDIES DEPARTMENT

The study of United States History, sociology or economics, and civics is a requirement for graduation from Huntington High School. World History may be elected by members of any class. Sociology, economics, and civics are subjects which are principally taken by seniors. Voting procedure is required in election years.

Map study aids in the history department.

"Make Every Day A Cheerful Day"

Carol Houser, Mrs. Young, Lynn Thompson.

MODULUS STAFF

The excellence of this 1959 Modulus is due to a great extent to the efforts of our editor, Carol Houser. Carol planned the many pictures, directed the staff, and worked to meet the deadline for this book. Carol's assistant was Lynn Thompson. Mrs. Young, faculty advisor, ironed out many difficulties, both photographic and written.

In charge of the copy writers was Nancy Coyle who was aided by the assistant copy editors—Becky Fulton, Ann Ware, and David S. Lewis. The business manager was Carol Butler who was assisted by Jane Shroyer. Lorraine Sprowl and Emily White were our subscription managers, and they were ably assisted by Anne Goshorn and Barbara Day. Sports writers were Nick Ridgeway, John Ware, and Larry Ulrich. In order to help finance the Modulus, ads were solicited under the supervision of Bob Hamilton and Dick Lee.

The two boys who were constantly bustling about after announcements, during games, and during the school day were our photographers—David S. Lewis and Jon Mickley. They took, developed, printed, cropped, and enlarged most of our many fine, well-exposed pictures—the bulk of every Modulus.

STUDENT COUNCIL GOVERNS WELL . . .

STUDENT COUNCIL

Comprised of two student representatives from each home room, the student eouneil endeavors to represent the student body in maintaining a voice in school problems and activities. In addition to the regular duties, a student eourt has been formed. The court is based on the merit system and presides in matters of hall diseipline. The eouncil meets twice a month under the guidance of Mr. Goshorn.

The projects of the eouneil were the sale of candy, the profits of which aided the Ameriean Field Serviee in bringing a foreign student here, and assisting the Parent-Teachers Association in the sponsorship of parent visitation.

This year's offieers were Phil Wasmuth, president; Bill Watrous, vice-president; Emily White, seeretary; Debbie Kirkwood, treasurer.

AMERICAN FIELD SERVICE

The purpose of the American Field Service is to create better relations between countries by learning more about each other's customs, habits, and beliefs. This is accomplished through the exchange of students between the United States and thirty-two foreign countries. Foreign students come to this country for the school year, while American students go abroad for the summer season (and stay for the school year, if they can overcome the language problem).

This year Huntington High was very lucky in getting Robert Ricotti as its foreign exchange student for the year. He was the adopted "son" of the Clifford Terry family for the duration of his stay here. Bob won the friendship and admiration of everyone that had the privilege of knowing him, and we hope that he gives his Italian friends and relatives as good an impression of us as we received of him and his country.

THE BAND MARCHES ON . . .

HIGH SCHOOL BAND

The Huntington High School Band, under the direction of Mr. Delmar Weesner, completed a most enjoyable thirty-third year.

The band marched in the Homecoming game and was privileged to go to the last game at Indianapolis to march with the Manual Band. The marching band was led by eight high-stepping majorettes. This year the band had two drum majors, Ronald Yohe and Gregory Smith, who did a magnificent job. Mr. Weesner was presented a red jacket by the athletic association for being the "coach" of the marching band.

The band played concerts for the grade schools and Huntington High school student bodies and gave their annual formal spring concert. Ensembles and soloists went to the district and state contests. To top the year off, the band went to South Bend for the band contest.

CHOIR DISPLAYS SPECIAL TALENT . . .

THE CHOIR

The Huntington High School Choir under the capable and very patient guidance and direction of Cloyde Slater, has eompleted a very successful year. Some of the highlights were the wearing of their new green with grey robes for the first time, giving the older red robes to the training chorus, winning more honors in contests for some of the individual members and ensembles, and, of course, performing for various functions.

These mentioned activities were added to the annual concerts in the Christmas and spring seasons, singing for the Easter Sunrise Service, helping during the Holy Week services, and, of course, the annual tour that this year included New Haven and Hartford City.

The swing choir, which is a merrier and more informal group, gave up an hour each Monday night to be able to sing and swing through one more year of "pop" music. This group of 20 teens entertained many people this year, and their function is increasing every time they are used. The sextette has also been busy with many engagements. Inaugurated this year was a madrigal group consisting of Rolland Smith, Dixie Michael, Kenny Sears, Mary Ann MacNamee, and Emily Carlson.

The sextette, which is made up of Janice Carroll, Dixie Michael, Mary Ann MacNamee, Barbara Mueller, Nancy Coyle, and Becky Fulton, won a superior rating at the district contest in Fort Wayne and an excellent in the state at Indianapolis. Rolland Smith, solo baritone, won a superior in both places; Dixie Michael received a Superior in Fort Wayne and a good in the finals. Sandra Stetzal finished with an excellent in Fort Wayne.

The choir kept the sweet tooth of Huntington satisfied by selling candy in the halls after school and in residential sections of the city in order to help pay for the debt resulting from the purchase of the new robes.

The choir's concerts and other activities help to raise the cultural standard of H.H.S.

SUNSHINE SOCIETY

The main purpose of the Sunshine Society, which is composed of all the girls in Huntington High School, is to bring sunshine into the lives of others. The creed is "With love in my heart, forgetting self, and with charity for all, I will make the object of my life helpfulness and kindness to others. I shall try to fit myself to give intelligent service in making my community a safer and more beautiful place in which to live. Thus will my own life become rich and complete."

The leaders of Sunshine during 1958-59 were Barbara Schell, president; Connie Hart, vice-president; Ruth Glass, treasurer; Shirley Van Dine, recording secretary; Diane Seashols, corresponding secretary, and Miss Alice Kline, sponsor.

The society was divided into five different groups, each girl taking part in whichever one she chose.

Mary White Guild

M.M.S., the money making society to which only junior and senior girls may belong, was headed by Nancy Coyle. This group was in charge of our traditional dances and such activities as Peanut Week.

Gales, the group that decorated and sold Easter eggs, was sponsored by Miss Kline and headed by Connie Hart.

The Mary White Guild, sponsored by Mrs. Porter and Miss Ellis, was in charge of the Holy Week Services, The chairmen were Rita Holmes and Donna Howett.

Crafts, sponsored by Mrs. Miller, was the talented sewing group of the society.

Social Service Sunbeams, led by Shirley VanDine, visited the sick and the aged.

W. V. S. H.

W.V.S.H. is an educational radio station located in the Radio Center of Huntington High School. It is operated entirely by high school students under the supervision of Mr. McCabe Day, the audio-visual director of the Huntington schools. All engineers must hold a Third Class Radio-Telephone Operator's License. The Voice of the Schools of Huntington operates on a frequency of 91.9 megacycles FM, with an antenna power of ten watts. The station is on the air from 9:00 to 11:25 and 1:00 to 3:30 each day. In addition, play-by-play descriptions of all Viking football and basketball games are broadcast for the benefit of fans at home. These broadcasts are supported by various business men of the city. W.V.S.H. first went on the air on January 1, 1950, and has been in operation since that time.

Film Boys

Mr. Day

An important group in the high school is the audio-visual department. Under the sponsorship of Mr. McCabe, "Pop" Day, the boys in the audio-visual department show films for the classes, operate the lights, produce sound effects, pull the curtains, and assist backstage for all auditorium programs. This group is also in charge of all broadcasts of school functions at Kriegbaum Field and at the Community Gym.

The period supervisors this year were Mark Chalmers, John Miller, Donald Warner, Devon Bates, Don Chambers, and Dick Warner.

After two years of service under Mr. Day, the boys are awarded an "H" as recognition for their services.

Janice Carroll, Mary Christian, Barbara Satterthwaite.

Classroom films are an added supplement.

Left to right: Marilyn Fetterhoff, Gary Olinger, Ruth Glass, Nicky Ridgeway.

MASQUE AND GAVEL

The members of Masque and Gavel enjoyed a very successful year by employing their motto "Speech for Use." During the year they served on announcement committees, participated in speech contests, presented religious programs, and gave plays for school and civic organizations.

The officers for the year included Nick Ridgeway, president; Marilyn Fetterhoff, vice-president, in charge of religious programs; Ruth Glass, program vice-president, and Gary Olinger, secretary-treasurer. Mrs. John McClure is the sponsor.

STUDENT COURT

As a part of the Student Council activities, a Student Court has been formed this year, the purpose of which is to deal with matters of discipline as they occur in the student body. Consisting of eleven student council members from all four classes, the court operates on regular court procedure and works on the merit system. Offenders of school rules are tried weekly by the court.

Elected for this year's term are Wendell Law, chairman; Emily White, secretary. The court operated under the guidance of Mr. Goshorn.

G.A.A.

The G.A.A. program is to promote physical well-being. Girls who earn a certain number of points established by the club are eligible for membership.

Each year the girls in G.A.A. sell balloons, sweat shirts, and car stickers inscribed with the words "Huntington Vikings."

Five girls were awarded with national G.A.A. plaques for their outstanding work. They were Joyce Williams, Bonnie Shafer, Anne Marie Goshorn, Patty Moran, and Sandra Stetzel.

Officers for the year were: President, Rose Tomlinson; Vice-President, Joyce Williams; Secretary, Janet Burkhart, and Treasurer, Sandy Eddington.

ACTUARIE

Actuarie is a club for girls who serve as assistants to the librarian. The tasks undertaken by the girls include keeping the books in their proper places, preparing new books for placement on the shelves, loaning books, collecting fines, and in general, keeping the library in good condition so that it will give the most service to the most students.

All of the activities of the club do not include work. They have a party in the fall, shortly after the opening of school, one at Christmas, and a tea for their mothers in the spring.

A fraction of a credit is given for the assistance given by the members of this group.

FOREMEN'S CLUB

Each month Mr. Burke chooses some junior or senior boy with a B average or above to be the shop foreman. These boys assist Mr. Burke in the classes. Each month the foreman of the month is the guest at the businessmen's Foreman's Club banquet.

The foremen for this year are Dick Spencer, Carl Hoag, Wilbur Palmer, Eugene Collins, Larry Gressley, and Ronald Hosier. The assistant foremen are David Allen and Bob Harris.

JUNIOR ROTARY

Each month of the school year the Rotary Club of Huntington chooses a senior boy as Junior Rotarian. This choice is based on his dependability, manners, civic interest, character, citizenship, leadership and personality. The senior boy chosen meets with the Rotary Club each Tuesday noon at the Hotel LaFontaine, where he lunches with members, enjoys the programs, and learns the fact that service ranks above all.

The Junior Rotarians of this year were the following:

September	Larry Ulrich
October	Mike Thomas
November	Bill Marks
December	Phil Wasmuth
January	Steve Lower
February	Mike Reeves
March	Nicky Ridgeway
April	Bill Watrous
May	Ewing Potts

F. T. A.

The Future Teachers of America is an organization composed of students who plan to enter the teaching profession.

The officers for 1958-59 were Carol Butler, president; Joyce Williams, vice-president; Debbie Kirkwood, secretary; and Janet Bonewitz, treasurer.

Under the capable leadership of Mr. Leslie Wilbern the group saw two films on teaching, "A Seat for Billie" and "Backdrop for Drama," and attended the district meeting.

They also enjoyed trips to Ball State Teachers College and Manchester College.

BIOLOGY CLUB

The Biology Club is open to any student with at least a "B" average in biology and an interest in science. The organization meets on the third Thursday of every month. Its purpose is to increase the scientific knowledge of its members. Each fall a group of new members is selected from a list of candidates by the old members. The concluding event of the year is an annual trip to some place of interest to the club. Officers for the year 1958-1959 were Jeff Brown, president; David Allen, vice-president; Nancy Altman, secretary, and Ann Ware, treasurer. The sponsors were Mr. Hummer and Mr. Goshorn.

NATIONAL HONOR SOCIETY—A WORTHWHILE ACHIEVEMENT . . .

The National Honor Society has been a part of our school life for many years. This society is the one to which students are elected on the basis of their scholastic rating, their fellow students' rating, and the teachers' votes. These combined criteria give the distinetion to the 15% of the seniors who are eligible.

The Senior Honor Society members are responsible for entertaining the Junior Honor Society members during the last week of school. This year's breakfast was held at Lagro State Park.

During Senior Week the senior members were also the guests of the Rotary club of Huntington at a luncheon in their honor.

Membership in the society is indeed an honor because it stresses not only the scholastic growth of the individuals concerned, but also their capacities for leadership and their growth in character.

Girls: Rose Tomlinson, Joan Myers, Nancy Coyle, Carol Ann Houser, Janet Bonewitz.

K. B. F.

Of the Senior Class, 5% are chosen each year to receive Kiwanis Builds Forever awards. This selection is based entirely on scholastic standing.

This year seven students were designated to receive K.B.F. certificates. These certificates were presented to the graduates at the traditional luncheon held by the Kiwanis Club at the Hotel LaFontaine.

NATIONAL HONOR SOCIETY (Junior)

This year ten juniors were chosen as members of the National Honor Society. In the junior year only 5% of the class is eligible.

The members of the Junior Honor Society were Judy Blackburn, Janet Burkhart, Lynn Thompson, Marilyn Fetterhoff, Anne Marie Goshorn, Ted Ehlers, John Owen, John Ware, Kenny Tewel, and David Allen.

REWARD COMES TO THOSE WHO WORK . . .

This year sixteen seniors received scholarships to the colleges of their choice. Of these, two received scholarships to DePauw, one to Hanover, and the remaining thirteen were to Indiana University and Huntington College.

For outstanding participation in G.A.A., five H.H.S. girls received national plaques.

After winning the English and Latin regionals at Wabash, John Ware, David S. Lewis, Clifford Terry, and Ann Petrie competed in the state finals held at Indiana University campus on April 25. John won a gold medal in English for winning first place. David won a bronze medal in Latin II.

H-CLUB

Those Huntington High School boys who have earned at least one major letter in some major sport are eligible to join the "H" Club. The "H" Club had few activities this year; it is generally considered an honorary organization. This year's officers were Mike Thomas, president; , vice-president, and Phil Wasmuth, secretary-treasurer. The sponsors of the "H" Club were Mr. Myers and Mr. Wilhelm.

"H" CLUB AND BOOSTER CLUB FOSTER BETTER SCHOOL MORALE . . .

BOOSTER CLUB

The Booster Club of Huntington High has undergone a great change this year. Instead of being an honorary organization, the membership was opened to anyone who sincerely expressed a desire to join and "back those Vikes" which unofficially became their motto for the year.

Homer Carl made his debut as the sponsor of the Booster Club. The officers for the year were Bill Marks, president; Bill Gordon, vice-president, and Joyce Williams, secretary-treasurer. The officers guided the Viking ship to victory after victory by giving its support before and during every game. The entire club sponsored "work-parties," took charge of pep sessions, and planned the Homecoming activities.

CHEER BLOCK BACKS THOSE "VIKES" ONCE AGAIN...

CHEERING BLOCK

"Go get 'em Vikes, go get 'em." This was the familiar cry which helped the Vikes pump in the goals throughout the entire basketball season.

One can well imagine the inspiration the team members derived from hearing this rousing cheer. We feel that the block was responsible to a great extent for the success of our team.

The block met every Wednesday after school to drill on old yells as well as to practice new ones. Their loyal cheering encouraged others to follow their lead in backing the team.

The block, consisting of 121 girls and led by our capable cheerleaders, was sponsored by Miss Carolyn Reynolds.

Congratulations, girls, on a job well done!

HOMECOMING

A parade with all the "trimmings" marked the 1958-59 homecoming at Huntington High School. The festivities included the honoring of alumni, a football game (which the Vikes won), and the crowning of the queen. The queen, Miss Joyce Williams, and her court, Barbara Schell, Emily White, and Ruth Glass, reigned throughout the ceremonies.

Prineess, Diane Hammel; Queen, Mary June Law; King, Wendell Law; Prince, Joe Dolby.

MODULUS DANCE—A NEWLY INITIATED ACTIVITY . . .

Evergreen boughs, Christmas trees, and a eheery Christmas spirit greeted eouples as they entered the Egyptian Room of the Hotel LaFontaine for the 1958 Modulus Dance. This danee was the first Modulus Danee, and it was given to help finance the yearbook. The reigning royalty of the danee were Wendell Law, king; Mary June Law, queen; Joe Dolby, prinee, and Dianne Hammel, prineess.

The danee was semi-formal. The girls were given ribbon eorsages with bells as favors. Tables, whieh were previously reserved by the couples, were decorated with place cards and small paper Christmas trees. A baekdorp of Santa and his reindeer on their way to the North Pole was the main attraction. The couples daneed from 9 to 12 to the music of John Dilley and his orehestra.

The general Chairman of the dance was Carol Houser. She was ably assisted by Nancy Coyle, Anne Goshorn, Barbara Schell, Carol Butler, Becky Fulton, Bob Hamilton.

Bob Hamilton, Susie Harris, Becky Bard, Robert Ricotti, Joe Dolby.

HALLOWEEN DANCE

On October 20, 1958, at the Masonic Temple, gay pumpkin heads and laughing ghosts tipped their hats as the couples entered the "Halloween Hide-Away." Huge black cats with sparkling green eyes, mysterious bats, and weird skulls glared down from black and orange streamers. Approximately 200 couples enjoyed the music of Jimmy Stier's combo. Behind the band was a huge harvest moon surrounded by twinkling stars.

The dance, a project of the M.M.S. of the Sunshine Society, was sponsored by Miss Alice Kline. Chairman of M.M.S., Nancy Coyle, and her chairmen, Nancy Altman, Barbara Schell, Jane Poehler, Becky Fulton, Joyce Williams, Janice Carroll, and Carol Houser, helped to make the first of our "golden moments."

HALLOWEEN DANCE — SPOOKS AND GOBLINS ALL ABOUT . . .

Couples danced to the music of Jimmy Steir.

Barbara Schell and Rolland Smith smilingly enter the traditional heart.

The traditional Sweetheart Dance was held at the Masonic Temple on February 14. Red and white streamers, dancing silhouettes, and hearts set the scene. Musical notes and a central arrangement holding a miniature swinging figure highlighted the "Swinging Sweethearts" theme. Couples danced to music by John Craig and his Melody Men. The grand march through the huge red heart was led by Barbara Schell, SSS president, and her escort, Rolland Smith. The established custom of giving out hearts of red and white to determine the lucky couples was cleverly carried out by Master Ricky Glass and little Miss Cheryl Myers.

The dance was sponsored by MMS of the Sunshine Society with Miss Kline as sponsor and Nancy Coyle as chairman, with Nancy Altman as her co-chairman. Chairmen of the ticket, decoration, chaperone, and publicity committees were Carol Butler, Emily White, Jean Thorn, Judy Grimes, and Sharon Brooks, respectively.

GALA EVENING — COLONIAL STYLE . . .

BANQUET AND PROM ONCE AGAIN . . .

The Senior Class of 1959 wishes to express its sincere appreciation to the Junior Class and its sponsors for the fine banquet and dance held in our honor. Never will we forget the "Southern Hospitality" extended to us at the Junior-Senior Reception of 1959.

PROVE TO BE ENJOYABLE OCCASIONS . . .

The setting for the annual Junior-Senior banquet was a replica of a white columned portico of a southern plantation. There were clusters of blue and pink wisteria, Spanish moss, dogwood trees, hanging lanterns and rose bushes decked with pink blooms to add to the beauty of the improvised garden. Yellow bouffant skirted ladies and top-hatted gentlemen in blue marked the places and carried out the color scheme of the senior class.

Kenneth Tewel, Junior Class president, welcomed everyone to the banquet. Mike Thomas, Senior Class president, responded.

After a southern style dinner, the group was entertained by a rock 'n roll group from Ft. Wayne called "The Continentals."

After the banquet, couples enjoyed dancing to the music of the "Dixiecats" in the already arranged colonial garden.

FOOTBALL BRINGS ENVIABLE RECORD

VIKES HAVE BEST YEAR SINCE '41 . . .
TIE FOR CIC LEAD

The 1958 edition of the Huntington Viking football team was one of the most successful ever, especially since they won their first CIC football crown since 1946. The Vikes won six games and lost none in the CIC to tie for the percentage lead with Tipton.

The Vikes got off to a flying start by beating Marion at home, 31-6. In a road game and their CIC debut of the year, Huntington nipped Wabash in a thriller, 34-27. Back in comfortable Kriegbaum Field, the Vikings whipped Warsaw in a CIC contest, 35-6. In their third straight CIC battle the Vikes traveled to Hartford City, where they dealt the Airedales a 50-6 defeat. Back home, a rugged Columbia City eleven gave the Vikes quite a bit of trouble before finally bowing, 26-7. In a CIC game the Vikings fell behind Rochester by 27-12 at the end of the third quarter—and then scored 29 points in a fantastic fourth quarter to win going away, 41-27. In consecutive conference games at home, Huntington beat Plymouth and Peru by the almost identical scores of 27-7 and 27-6. At Fort Wayne South the Vikes were held to a 13-13 tie in a disappointing contest. The last game of the season was the first Huntington loss—this one to Indianapolis Manual by 41 to 6. Manual at game time was ranked first in the state.

Several boys will be back for next year's gridiron action, although such stars as Mike Thomas, Mike Reeves, Phil Wasmuth, Tom Smith, John Beerbower, and Bob Harris will be lost via graduation. The crop of boys coming back, however, indicates a distinctly rosy future for Huntington in the realm of football.

OUR COACH "WAVE"

For the past two years "Wave" Myers has brought up into the ranks two very fine football teams. This past year's CIC team proved Mr. Myers' ability to coach as well as the squad's ability to play.

We regret that Mr. Myers' familiar face will not be seen as a coach on the Huntington gridiron next year. His talents will be taken to Fort Wayne North Side where he will assume the position of head football coach. Good-bye and best of everything to you, Mr. Myers!

UNDERSTUDIES LOOK TO THE FUTURE

FOOTBALL

With an eye to the future, the Huntington High School B Team turned out a very promising season. With a record of 4 wins, 2 losses, 1 tied, they out-scored their opponents 3 to 1.

The Huntington High School Frosh turned out a 3 won, 4 lost, and 1 tied record this season. They dropped their first game to Peru 0-13, won their second game over North Manchester 21-0, then tied Marion 6-6. Wabash downed them 0-26; they came back to win over North Manchester 32-0; they lost to Wabash 7-14; they beat Warsaw 13-0. The team lost its final game to New Haven 12-26.

IN MEMORIAM

Stan Hammel, son of Mr. and Mrs. Stanton F. Hammel, Sr., died May 29, 1959. Stan, a junior, showed promise of becoming one of the outstanding athletes of Huntington High School, but unfortunately his career was brought to an untimely end. The stout-hearted and gallant Stan will be greatly missed by his team mates as well as the entire student body and faculty.

Freshman 1958-59 Football Squad

MR. WILHELM

ON BEING A COACH

Coach Ivan Wilhelm, in his fourth year as head coach of the H.H.S. basketball team, produced a fine squad. The "flu bug," appendectomies, and a series of injuries constantly challenged the spirit and morale of the Vikings. In spite of many adverse conditions, Coach Wilhelm succeeded in keeping the team in the winning column 11 times this season. His personality, character, and coaching knowledge led the faculty and student body to know him as "a real great guy," but his opposing coaches knew him as "Ivan the Terrible."

BASKETBALL MANIA IS NO EXCEPTION AT H.H.S.

BASKETBALL

Viking fans were treated to an interesting season, resulting in 11 victories and 9 losses. The Norsemen's ship sailed over (although sometimes not easily) Columbia City, Warsaw, Peru, Alexandria, Wabash, Hartford City, Muncie Burris, Rensselaer, Decatur, Tipton, and Auburn—but in the South Side (Ft. Wayne), Bluffton, Marion, Elwood, Mississinewa, Plymouth and Logansport games the Vikings learned the hard way that those long shots and free-throws really count.

This season was like a strange recipe—mix two parts of the fast-break and high scoring (just to keep the fans and athletes entertained and excited) with a handful of good sportsmanship and a pinch of the desire to win. Now pop this concoction into an overheated gymnasium for four months, sprinkle lightly with the "moans" and "screams of joy" from a cheerblock, and you have the 58-59 Viking season in just the right proportions.

Captain of the team was "Varsity Pete" Thomas, ably assisted by seniors: "Sammy" Wasmuth, "Bruiser" Reeves, "Lightning" Watrous, and "Bullet" Walker. Not to be discounted, the underclassmen ("Blonde" Booty, "Rock" Owen, "Red" Tewel, "Handy" Handwork, "Candy" Wetters, and "Tall" Paul) came through when the going was rough.

While the "Vikes" were snuffed out of the sectional and the holiday tournament, they proved themselves, both on and off the gym floor, as some of the best Norsemen H.H.S. has produced.

We say "good-bye and well done" to the departing Seniors, and we wish smooth sailing for the new Vikes.

TO OUR SENIOR PLAYERS

As always, the 1959-60 players will miss the experience and big-brother guidance of the seniors. The leadership of captain Mike Thomas, the spark and fast break ability of Phil Wasmuth, the humor of Bob Walker, the dependability of Bill Watrous, and the strength and brawn of Mike Reeves are all qualities to be developed in the future Vikes. To the seniors we wish further success in your future athletic endeavors.

SCYLDINGS STRIVE FOR SKILL

SCYLDINGS HAVE AVERAGE SEASON

The Huntington Scyldings, having a rather so-so season, compiled a record of 9 victories and 11 losses during the 1958-59 basketball campaign. Their first game was a loss to Columbia City, 43 to 30. Then they traveled to Warsaw, where they defeated the Tigerkittens by a 37 to 32 score. The Scyldings lost to Peru, 40 to 26, but bounced back to whip Alexandria by 42 to 30. They lost to Fort Wayne South Side, 31 to 25, and to Wabash, 35 to 32. In their best game of the year the Scyldings beat Hartford City, 48 to 21. They then defeated Bluffton in overtime, 33 to 30. Huntington won over Muncie Burris, 37 to 33, for its third straight victory.

The Scyldings placed third in a tourney held at Fort Wayne Concordia. Back at home, they lost to Marion, 40 to 35. Huntington defeated Elwood in a close one, 36 to 33. A string of five straight losses came then—to Decatur, 34-31; to Mississinewa, 43-38; to Tipton, 56-33; to Plymouth, 44-28; and to Logansport, 50-36. They ended the season in good fashion, however, defeating Auburn, 41 to 34, and Rochester, 48 to 28.

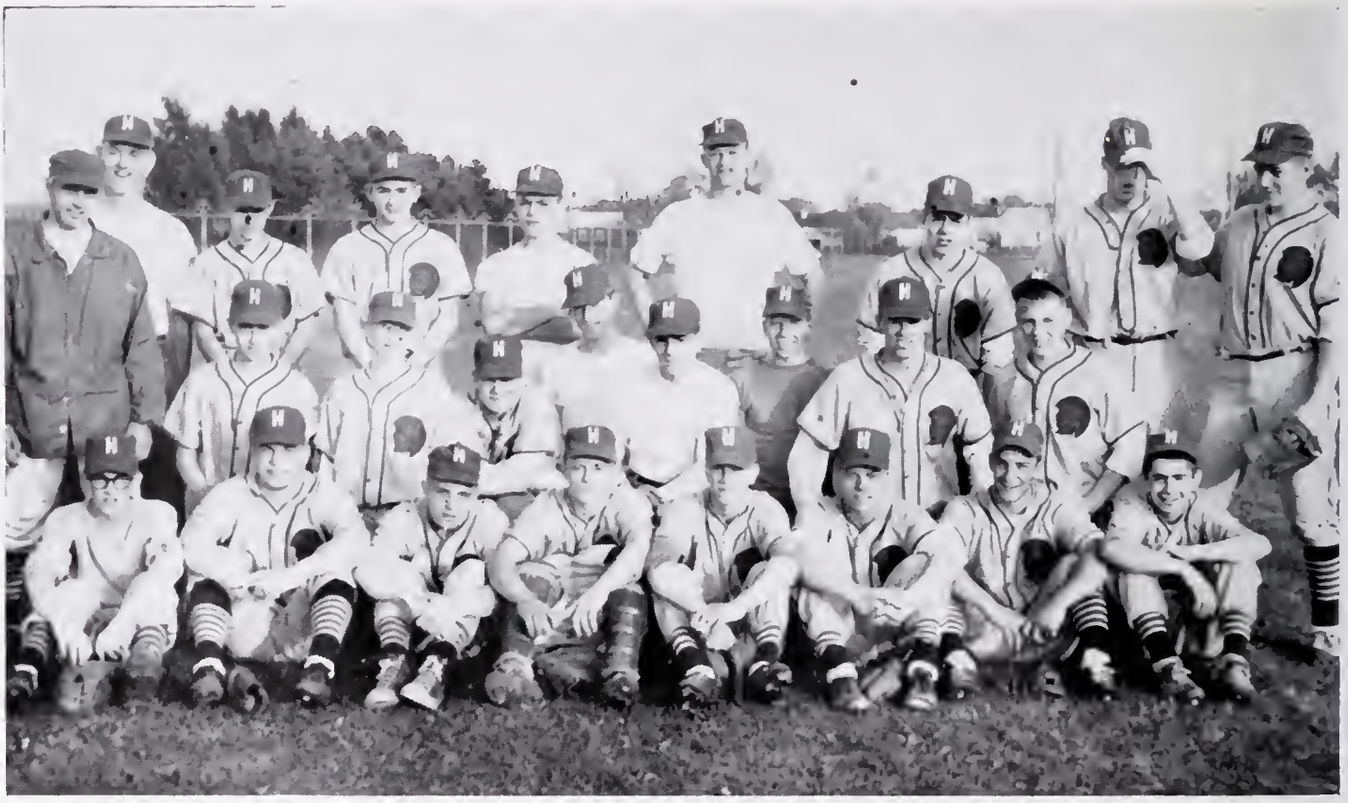
FIGHTING FRESHMEN FACE FUTURE

Carolyn Rogers, Connie Shafer, Jean Abbott, Penny Glass.

FROSH TRAVEL ROCKY ROAD

The Freshman basketball team, under the expert direction of Coach Paul Buzzard, fashioned out a record of three victories and fifteen losses. Don't let that record fool you, however. More than half of the Freshman team's losses were by three points or less. At one point in the season the Freshmen lost four consecutive games by a total of six points—two-point losses to Warsaw and Rochester and one-pointers to Martin Boots of Marion and Huntington Township. Their three victories came over Columbia City (twice) and LaFontaine.

The main thing the team lacked was height. Their speed and fight, great though they were, simply weren't quite enough to make up for this deficiency. Some of the mainstays of the Freshman squad during the season included Dave Reeves, Dave Molter, Larry Eddingfield, and Dave Landrum. We wish to commend this Freshman team for the effort and sportsmanship they showed throughout the 1958-59 basketball campaign.



BASEBALL TEAM

SPRING SPORTS ATTRACT MANY FINE ATHLETES

BASEBALL SQUAD HAS UPS AND DOWNS

Huntington High School's baseball team of 1959 expanded its schedule to nine games, of which it won three and lost six.

In the first game of the season Bill Watrous and Bob Harris pitched the Vikings to a victory over Decatur. At New Haven the Vikes suffered their first loss of the year. The next game against Manchester saw the best pitching of the year by a Viking, as Bill Watrous shut out the Squires, 8 to 0. Hartford City defeated the Vikings, but Huntington bounced back for a 9 to 8 conquest of Rochester. Warsaw really had their hitting shoes on and trounced Huntington to the tune of 11 to 1. The Vikings lost their fourth game to Decatur. A streak of bad luck was mainly responsible for the Vikes' loss to Manchester. In the final game of the season, Bluffton took the measure of the Vikings.

The golf team turned in a 2 won and 8 lost record. They were successful in beating Manchester twice by the score of 8-0. They placed 5th in the C.I.C. meet with "Speedy" Thompson placing 8th out of a possible 48.

Although Holmes will be the only returning letterman, we are looking for a better season next year.

VIKES HAVE SUCCESSFUL TRACK SEASON

The first meet of the season was a close one which the Vikes lost to Tipton. Huntington then won its first meet of the year, defeating Mississinewa and Decatur. In the closest meet of the year the Vikings tied Peru for top honors, while Hartford City had to be content with third. In another close one, the Vikes nosed out Marion and Wabash.

At the Kokomo Relays, the Vikings won the medley relay and placed third in the mile relay. Huntington then took third in the CIC meet. In their last triangular meet, the Vikes came in second—a position which they retained in the Sectional.

In the Regional the 1959 Vikings did better than had any previous Huntington team. The mile relay team set a school record in winning the event. At the state meet the mile relay team was disqualified on a technicality.

Even though the tennis team was fortunate enough to win only two of its matches, with most of the team returning, a better season for next year is anticipated.

EACH class has its specific place at H.H.S. Freshmen, Sophomores, Juniors, and Seniors are all a definite part of the whole.

SENIOR CLASS OFFICERS AND SPONSORS

No senior class could ever be a success without its officers and sponsors. With all of the activities of the senior year, class leaders must be dependable, competent, and capable of doing their duties. These qualities can certainly be found in the senior class officers. Serving in the capacity of president, vice-president, secretary, and treasurer respectively were Mike Thomas, Bill Watrous, Barbara Schell, and Sally Perry.

Serving alongside these people and the senior class were the class advisors, Miss Jennie B. Wilson and Mr. Robert Diffenbaugh. These two wonderful persons worked patiently through the turmoil of the senior year. They will always be remembered as "our senior sponsors, Jennie B. and Diff!"

SENIOR PLAY CALLED FOR "NOTHING BUT THE TRUTH"

ROSE — OUR QUEEN

SENIOR QUEEN

Between acts of the senior play Master of Ceremonies, Ewing Potts, presented Miss Rose Tomlinson, Senior Queen of 1959. Rose, escorted to the stage by Phil Wasmuth, earned this honor by selling the largest number of tickets to the play. For her effort she was given an inscribed bracelet and her title of Senior Queen.

The other candidates were Bonnie Shafer, Judy Grimes, and Grace Baldridge who also are to be commended for their efforts.

Congratulations, Rose!

Rose Tomlinson, Queen.

ACTORS "HAM IT UP"

SENIOR PLAY

Did you ever try to tell "Nothing But the Truth" for twenty-four hours? The Senior play told of the trials and tribulations that beset a young businessman when he bet that he could refrain from telling even a little "white lie" for an entire day. He caused his employer much aggravation, his friends much distress, and his fiancee much grief when he told everybody the truth for a full day. In the end he succeeded in his attempt. He then commenced to lie to everybody to win back their friendship. He was finally convinced that it is impossible to tell "Nothing But the Truth."

TOP SCHOLARS OF CLASS OF 1959

VALEDICTORIAN

Miss Carol Ann Houser took top honors scholastically as valedictorian of the Class of 1959.

During her four years at Huntington High Carol majored in mathematics, science, and English. She was a member of both the Junior and Senior National Honor Society and was named to K.B.F. She was a four-year member of the H.H.S. Choir and served as Modulus editor.

She plans to attend Hanover College where she intends to major in mathematics.

SALUTATORIAN

Michael Thomas was chosen as salutatorian of the 1959 graduating class.

Mike also majored in English, mathematics, and science. He was a member of both the Junior and Senior National Honor Society and named to K.B.F.

He has served as class president for three years and president of the "H" Club. His ability in sports has brought him many honors in football and basketball.

Mike plans to attend DePauw University where he has received a Rector Scholarship.

JUNIOR CLASS OFFICERS AND SPONSORS

Class officers and sponsors are busy people during the junior year. The five capable persons in charge of the activity this year were Kenny Tewel, president; Steve Mowrer, vice-president; Shirley VanDine, Treasurer; Susie Buzzard, secretary, and Bill Gordon, the ever-busy concession manager.

Behind this quintette were the familiar faces of sponsors, Miss Edith Hanson and Mr. Richard Goshorn. It was not uncommon to see Miss Hanson or Mr. Goshorn recruiting sellers, stacking coke cases, popping corn, or heating hot dogs. With their able assistance the class was able to raise the necessary dollars to finance the Junior-Senior Reception.

Junior Selling

"Busy" and "Work" are the two key words of the junior class. Not only must they buzz about the gymnasium and football field during basketball and football seasons selling concessions, but also they must worry about spending the money they make to finance the Junior-Senior Reception. Even though selling is a lot of work, it still has its enjoyable side. Thanks to the toils of the junior sellers who made possible a wonderful reception.

The concession stand is a busy place.

SOPHOMORES NOW "KNOW THE ROPES"

Judy Davis, Jane Underhill, John Thomas, Joe Dolby.

The Sophomores this year elected Joe Dolby, president; John Thomas, vice-president; Jane Underhill, secretary, and Judy Davis, treasurer. The Sophs' class sponsor was Miss Sees. They selected very beautiful class rings and held an enjoyable party at Memorial Park the last week of school.

FRESHMEN — JUST BEGINNING THEIR CLIMB

Dave Proffitt, Sue Slater, Ann Petrie, Dave Reeves.

FRESHMAN OFFICERS AND SPONSORS

The first function of the freshman class was the election of officers, and those "greenies" elected were Dave Reeves, president; Dave Profitt, vice-president; Ann Petrie, secretary, and Sue Slater, treasurer. The class was fortunate in having Miss Carolyn Reynolds as sponsor.

Blending into a closely-knit group, the freshman class showed much enthusiasm at all school activities. To close a pleasant year a picnic was held at Hiers Park.

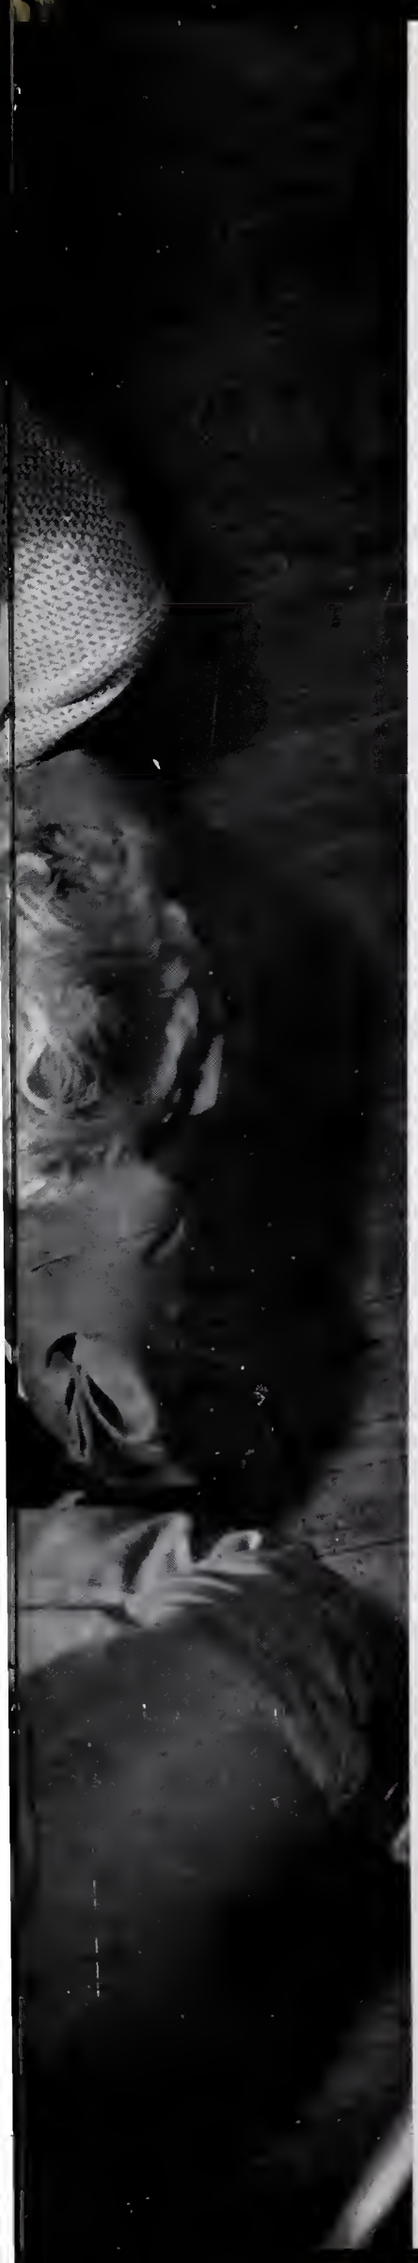
Happy Homecoming!

Recreation Room fun!

. . . A FINAL LOOK AT STUDENT LIFE . . .

Joan Myers, Debbie Kirkwood, and Janet Bonewitz wait their turn while Carol Houser and Oretta Berlin kiss Roberto Ricotti good-bye!



THE understanding faculty makes life pleasant for everyone. Their help and patience have guided the students in the right direction.

FACULTY

"UNDERSTANDING IS THE MOST IMPORTANT MATTER IN EVERYTHING"

PRINCIPAL

The principal, Mr. Harold Johnson, works in co-operation and under the direction of the Superintendent in carrying out the school policies and procedures as set forth by the School Board.

The principal is held responsible for the proper execution of properties and procedures in the high school. Mr. Johnson also makes the schedule of classes for the teachers and students and supervises many activities relative to the various departments of the school.

ADMINISTRATION PROVIDES FOR OUR FUTURE . . .

SUPERINTENDENT

Mr. Burton Stephan is a sincere, prompt, and very capable school administrator. He has served in the capacity of Superintendent of Huntington Public Schools for the past eighteen years. This year Mr. Stephan resigned from his post and will resume his teaching at Horace Mann School. His time and effort spent toward improving the school system will always be remembered.

KEEPS US INFORMED

Mrs. Bostel

OFFICE SECRETARIES

Miss Langley and Miss Lahr can be found in the Superintendent's Office where they efficiently and capably handle the duties in connection with the business office of the school system.

After thirty-four and one-half years of service in the employ of the Huntington Schools, Miss Langley will retire to pursue her hobbies and get the much deserved leisure that she has earned.

Sally and Nedra are in the high school office where they keep the office operating smoothly.

SCHOOL BOARD

After the resignation of Mrs. Bostel in March, Mrs. Stocksdale was elected to replace her. The board is headed by Mr. Marx, President; Mrs. Stocksdale, Secretary, and Mr. Caldwell, Treasurer.

CAFETERIA AND MAINTENANCE—APPRECIATED SERVICES

CAFETERIA

Under the direction of our dietitian, Mrs. Doyle Smith, the cafeteria women feed the hungry student body each school day. These women always serve a well-balanced, delicious meal.

We wish to express our appreciation for work well done.

CUSTODIANS

The credit for our clean and attractive school goes to our custodians, who keep H.H.S. in the best condition possible. They keep our school healthful and safe and put forth a sincere effort to do their work efficiently.

AS THE YEAR ENDS—

We look back at the many "Golden Moments" we have shared at Huntington High School.

The many activities in which we have participated have kept our minds alert and ready to meet many new situations.

The past year has provided each and everyone of us with steppingstones to advancement to the future. With this foundation we shall aspire to reach our goals in life.

Yes, we shall always remember the "Golden Moments" created in the years 1958-1959, at H. H. S.
